Suggested edits for Hinduism chapters

I encourage you to positively consider the changes to the Grades 6 and 7 textbooks suggested by Dr. Shiva Bajpai and the Uberoi Foundation that deal with India and Hinduism I have read them over, and the changes will clearly bring the textbook material more in line with an increasingly accepted scholarly understanding of the history of India and Hinduism. In doing so, you will provide the students with a more accurate view.

Sincerely,

Ramdas Lamb, Associate Professor

Department of Religion

University of Hawai'i
